

## EPYC CLUB RHODES-19 GUIDELINES

### PURPOSE

The EPYC club Rhodes-19 is to be used by club members to learn about sailing, to enjoy day sailing, and to participate in the one-design Rhodes-19 racing at EPYC.

### SCHEDULING AND USE

Use of the boat is for members only. A sign-up sheet for morning, afternoon, and evening slots will be available at the EPYC office. Members may sign up for only one time slot per day and no more than 2 weeks in advance. The Thursday evening and the Sunday afternoon time slots are reserved for those members wishing to race in the EPYC races scheduled at those times. Please see additional guidelines on the sheet.

Daily operations of the boat will be coordinated by the Waterfront Manager or his designee, and decisions made regarding boat use will be final. Input into his decision will include weather conditions, operator competence, unsafe boating practices, etc. Members will comply with all Rules and Regulations of the mooring field

Members using the boat must be capable of rigging and unrigging the craft at the mooring, of sailing off and onto the mooring, and of sailing safely in the mooring field. The boat will be rigged and unrigged by the club member at the mooring, and will not be tied up dockside for more than 5 minutes.

Members using the craft assume responsibility for damage to the boat excluding that due to normal usage. Users must report any and all damage immediately to the Waterfront Manager.

Sailing instruction for all levels of experience and ability will be available. See sign-up sheet for instructor contacts and costs.

### MAINTENANCE

The Waterfront Manager will be responsible for the general maintenance of the boat. This shall include yearly cleaning, painting of the bottom, wear and tear repairs, broken parts replacement, and coordination of spring launching and fall haulout. A member of the Rhodes fleet will be designated to assist in keeping the boat in good sailing condition. The Waterfront Manager will keep a log of all expenses associated with the boat and of donated parts, and will be responsible for submitting anticipated expense and outlays into the budget process.
