

INTRODUCTION TO ADULT SAILING

Beginning on Saturday, July 12th from 9 - 12, Club certified instructors will be available to take adult members out for a sail on the Club owned Rhodes 19. The Board is making this service available every Saturday throughout the summer free of charge. We hope those of you who are unfamiliar with sailing will take advantage of this service and enjoy this wonderfully exhilarating experience that is so central to the culture of our Club. You can book your one-hour time slot by calling Skip Pardee, Junior Sailing Director (978-283-3520) no less than 48 hours in advance to reserve your lesson. The boat can hold 3 adults, so put together your own group or just come on your own and meet other members while you sail through beautiful Gloucester Harbor.
